## In the beginning...

The **Rockhampton HOG** Chapter was formed on the 28th of January 1995. In 1997, the Chapter introduced the current format of the Official Ride held on the 1st Sunday of the month and the Chapter Meeting held on the 3rd Saturday followed by a social night after the meeting. Often there is an impromptu ride that Sunday.

The Chapter has hosted the QLD State Rally on two previous occasions. Firstly in 1998 and then again in 2009 with 100's of bikes from all over Australia and New Zealand heading to Rockhampton for the weekend. We also regularly attend events held by other Chapters. On the local scene, the Chapter gets involved in raising much needed funds for local charities throughout the year by holding or supporting Poker Runs, Toy Rides, Wild Woman Rides etc.

Since 1995, the **Rockhampton Harley Owners Group** membership has grown from just 18 at the 1st ever meeting to a peak of over 150 members. Currently we have around 90 active and financial members. It is not uncommon to have 30+ bikes on Official Rides.

In 2009, just prior to holding the State Rally, the **Rumble Inn** was built at the back of RHD. This is the venue for the monthly meetings and is also open every Friday evening from 5pm till 10pm for Chapter members and their guests to come and socialise at the end of the working week. So if you're interested in joining the Chapter or just passing through, drop in for a cold one with a great bunch of **Rockhampton HOG** members.

## From the Editor...

The days are going faster and faster the closer we get to Christmas.

We couldn't have asked for better weather this month with the nights being cool but the days fine and sunny - ideal weather for a ride.

This month Brett and I participated in the "Wake up with a Harley" promotion which saw us "waking up with" a CVO Street Glide. It was good fun, especially for me, as I finally got to ride "Bob" (Brett's Fatbob) by myself!

We also got to head down to the Benaraby Raceway for our first ever All Bike Meet. It was great fun and I would highly recommend it to everyone for next year even if you only go as a spectator. I'm sure we will be there cause after having his first run, Brett seems to "have the bug".

Another few busy weeks ahead for us with HOT training in Cairns next week and the State Rally next month - bring it on!

Take Care!

It's great to see the weather improving, cause it means better rides, or rather more comfortable riding without all the layers to prevent the cold. Our Activities Officers have been very busy organizing rides to suit this fantastic time of the year. If you have any suggestions for rides with a difference, can you catch up with Nasty, Cate or Myles - they will appreciate the assistance.

Time keeps rolling on and we find ourselves with only a few weeks till the State Rally. I have included in this newsletter a copy of the agenda for the Rally. For those of you who haven't booked accommodation in Bundy, try Midtown Caravan Park 415222768. They have cabins and camping - this is where most of us are booked in to. By now everyone should be aware of the rolling Thunder Ride to the Rally. The Wednesday night of the 19<sup>th</sup> September will be at our very own Rumble Inn. We will have music, food, drinks and entertainment on the night.

The National Rally in Canberra is coming along well and I have it on good authority that all those who are going will enjoy themselves immensely. If you don't know the plan, please catch up with Mufti and he will give you the goss. We will expect reports to come back from both Rallies.

I would like to thank all those who attended the mini poker run on the 5<sup>th</sup>. It was good to see 47 people turn up for an enjoyable ride around the Rocky area and at each stop tossing two little pigs and trying to work out how we actually scored their toss. I can assure you all that all toss scores were done within the rules of the game. The twist certainly got everyone sucked in when I announced that the lowest score won and I would like to congratulate Cliff on his win with 1 point for the day. I reckon this day went off without a hitch and we also made \$680.00 for the club.

Coming up shortly is the RIDE FOR LOST MATES - this will be on Sunday 16<sup>th</sup> of September. This ride will take the place of our impromptu ride and I expect full support from all of our members.

- Remember this ride goes to help you all if needed. Again, this will be a poker run with the addition of a tug of war with the patrons of a pub that we will visit.

That's about all I have for now.

## Preacher

And you words of wisdom for the month.

"What you dislike in another take care to correct in yourself"

## Ladies of Harley (LOH)

Chantal Sommerfeld

The Ladies of Harley enjoyed a great time together recently when we met at the Rumble Inn, rode out the Emu Park Road, turned off at Tanby road, continued towards Rocky and turned off towards the Byfield Rd, coming into Yeppoon along the back roads, then on to the Marina for lunch.

Had a little bit of excitement along the way when we saw a huge branch fall down onto the power lines and junction box, setting up a wall of sparks and smoke. Don't think anyone would have been enjoying a roast for lunch that day!

A "local" received expletive gesturing and verbalisation from Cathy when she pulled out of her driveway without looking and nearly collected a motorbike in her rear seat for her troubles!

When we arrived at the marina we enjoyed talking or should I say listening to a fellow Harley rider who described the amount of money spent and the details of his remodelling of his bike...again, and again, and again. We escaped and had a yummy lunch - can vouch for the cheesecake.

It was lovely to meet Annie's Daughters and Granddaughter and was good to see Mel join us for lunch even though she couldn't make the ride.

Hopefully we will be having another ride again soon and would like to extend an invitation to any ladies who would like to participate.

## 5th August - Monthly Ride - Poker Run (continued)

## 18th August - All Bike Drags - Benaraby

Brett was keen to race "Bob" the Fatbob in the All Bike Drags at Benaraby this year and so we packed up the camper trailer and the dog and away we went. Once there, we caught up with Myles & Cate who were there cheering on their son Adam who was racing as well. They camped overnight too (see bottom photo). Mufti, Graeme and Nev came down for the afternoon and Melissa popped in as well. This year was the event's biggest year with 176 registered to race! This caused some delays however, due to the tireless work of the volunteers, racing went on till 1000pm instead of the scheduled 0600pm finish with all competitors getting a fair go to strut their stuff. We can't wait till next year and hope that more HOG members will have a go. There really is no pressure - just come and have some fun. As a fellow competitor said to Brett "It's just like draggin' your mate off at the lights!"

## GUIDELINES FOR SAFE RIDING ON HOG RIDES

- There will be a briefing before all rides so arrive at the designated start point half an hour before departure time.
- Pay attention to the ride briefing given by the Road Captain. If in doubt - Ask.
- If you are experiencing any difficulty that might affect others, let the Road Captain know before departure.
- Always fuel up before the start of the ride.
- Make sure your bike is in roadworthy condition. Check this before you leave home, not 5 minutes before the ride time. Check all lights, battery, tyres, etc.
- As a general rule, the group will depart and arrive as a group.
- Unless arranged prior to departure, do not pass the Road Captain.
- Use only one lane of a multilane highway. Follow the lead of the Road Captain as to which lane to use.
- Ride in a staggered formation except on narrow roads where you should follow in Indian or single file. When a rider leaves the group (eg. turning off to go home), or changes position in the formation, the remaining group will switch lanes using indicators to signal intention, and restore the staggered formation.
- When overtaking, maintain your overtaking speed until those overtaking with you have enough room to pull in behind without having to break suddenly.

### Staggered Formation Riding

Below is the primary riding formation.

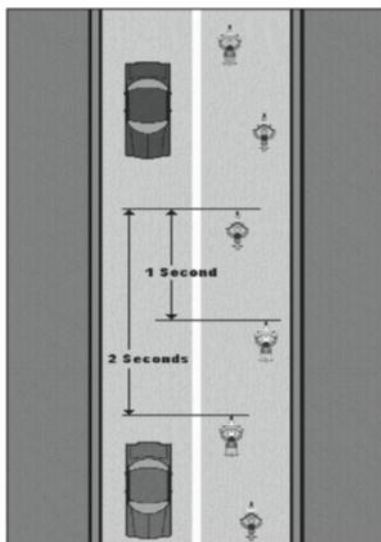

*Single file is used when directed by the ride leader.*

**One-second rule:** The bike in the lane to your left or right should not be less than one second ahead of you.

**Two-second rule:** Maintain at least two seconds between you and the rider in front of you.

**Four-second rule:** Look ahead four seconds at your immediate path of travel to give yourself more time to react to a hazard.

**Twelve-second rule:** Also look ahead at your anticipated path of travel. Twelve seconds is about one city block.

- If you intend to travel at a slower pace than expected on the ride, position yourself towards the rear of the group, and not in the front or the middle.
- New riders should take up position in front of "Tail End Charlie" for the first few rides. This is at the rear of the Pack.
- Keep an eye on the rider behind you. If they stop unexpectedly, you stop and determine the problem before proceeding. The rider behind you is your responsibility. An exception to this rule is "Tail End Charlie" - there should be no one behind him/her.

Most importantly - **"RIDE SAFE AND HAVE FUN"**

# Southern Cross

## **MAD HOG WLA Ride for Oncology September 2012**

Mackay and District Harley Owners Group are supporting the above named Charity Awareness ride from Mackay to Cairns and return on the dates of 26<sup>th</sup> September to 3<sup>rd</sup> October 2012. The nature of the ride is to raise awareness of Blood related Cancers and to raise funds for the Oncology Unit at Mackay Base Hospital. The WLA plays an important role in the ride as it is the bike that will be making the trek up and back as it celebrates its 70<sup>th</sup> Anniversary.

The owner of the 1942 WLA Harley Davidson is Graham Omand (photo attached) who also suffers from Myelodysplasia, a blood related cancer which has no cure. Graham was the initiator of the ride as he wanted to give back to the hospital for the wonderful care, treatment and ongoing support he has received since his diagnosis, and to take his beloved bike on a memorable journey.

The chapter is working with Mackay Hospital Foundation a non-profit community driven charity organisation, providing fundraising support to the Mackay Base Hospital and other local hospitals in our District. Please find attached a letter from Mackay Hospital Foundation to show support for our ride and in return they will purchase the required equipment for the Oncology unit at the hospital.

We are inviting Harley Davidson enthusiasts, vintage Harley Davidsons enthusiasts, and other motorcycling enthusiasts to join the ride to help with the fundraising efforts for this wonderful cause, and hopefully allowing us to reach our goal for the above mentioned respondent. We want for everyone's participation including Grahams on this ride to be a fantastically memorable one.

Merchandise products of shirts, pins, patches and stubby coolers will be on sale, although your registration fees to partake in the ride will include a shirt and pin.

We extend this invitation to your group to come along for what we believe will be a fantastic ride raising awareness of blood cancers and some serious funds for the Oncology Unit as somewhere along the line everyone has been touched by Cancer in one way or another.

For more information, please keep in contact with [madhogs@bigpond.com](mailto:madhogs@bigpond.com). Updated progress on the ride will be emailed to those interested.

Thank you for your consideration of our ride.
